# Intimate dinners to celebrate continued excellence

BY CINDY YEAP

The evenings began with cocktails in the foyer, something that was not held during *The Edge* Billion Ringgit Club (BRC) 2021 gala dinner last December, in adherence to social-distancing rules.

With almost all pandemic-related restrictions lifted seven months on, The Edge Media Group, together with its corporate award partners — OCBC Bank Malaysia, Mercedes-Benz Malaysia and Cartier with Cortina Watch Malaysia — seized the opportunity to fete a select group of BRC members and past winners at appreciation dinners on July 19 and 20.

Violinist Grace Tan set the tone for the soiree with delightful music. Guests also had an exclusive preview of the Cartier Tank collection, including the new black-dialled Cartier Tank Must and Tank Louis Cartier, which will be available in Malaysia in September.

Conversations continued over a six-course French-Japanese menu specially crafted by chef Don John of Sage Restaurant & Wine Bar in Kuala Lumpur. Jeremy Lee, The Macallan's brand ambassador in Malaysia, shared how each dish was best paired with The Macallan Double Cask 12 Year Old, 15 Year Old, 18 Year Old or Rare Cask single-malt whiskies.

The Edge Media Group publisher and group CEO Datuk Ho Kay Tat thanked guests for making it an intimate occasion to remember, adding that the group and its partners look forward to celebrating Corporate Malaysia's best performers at the exclusive invitation-only *The Edge* BRC 2022 gala dinner later this year. ■
