## Tanzini

The term risotto does carry a sense of luxury in many restaurants, where even the simplest of them all seem to be of favourites. But to gain a taste of fresh, authentic, and truly augmented risotto, this is the place you will want to be at. Staging the dish at an al dente texture, the rest is contributed by a cream laden sauce and an elevation with some seafood essence and crunchy asparaguses. This will definitely put you into an abbiocco state.

## Tanzini

Now, chocolate lava cakes are no stranger when it comes to these little devils. The thing is, how often do you stumble upon one that's made with passion and love? The rich and thick texture of the cake is just a preceding introduction to something a bit more sinful on the inside. The molten chocolate that elegantly flows out is the core of this dessert, where many chocolate lovers will instantly find love.

**Tanzini**

What might seem like an innocent chocolate cake actually packs more than meets the eye. The deceitful appearance is just a façade for an ensemble of 12 types of chocolates, binding to form one decadent and ambrosial dessert. A saucer of hot chocolate sauce is also rained on the cake for a richer texture and a touch of dramatic experience.

## Tanzini

Who says you can put the fancy in some of the simplest dish? These cuts of gloriously juicy duck meat are not just there to put the glow in your eyes, but also lace your taste buds with some devilishly divine flavours. The tawny overtone just merges with the flesh for a one hit wonder that lingers on your palate with every bite that you take; couple the zesty orange sauce for a more, well, explosive flavour.

## Tanzini

Who doesn't love the presence of chicken in their lives? Tanzini has taken that love and turned it into a delicious dish that your palate will hold on tightly to. Well charred, utterly succulent and juicy, these are just a couple ways to describe the poultry meal. Paired on the side is also the chef's sauce that just enhances the flavours exponentially.

## Tanzini

Chewy pastas tossed together into a mélange of tomato, herbs, and spices do carry a salivating façade that will surely get anyone's tummy to rumble. The dish is laced with tangy tinges with a little bit of tang for those with slightly rugged taste buds. What makes this dish so luscious is its texture, where the chef's honed skills come into play. A vibrant touch of shaved cheese is speckled in to give one final layer of savoury flavour.

## Tanzini

Never really fell in the salad category? Well, no matter how big of a carnivore you are, you will definitely find a soft spot for the Caesar salad here at Tanzini. Fresh, crisp lettuce leads the parade here, laden with speckles of julienned cheese that gives it its staple aroma and flavour. Oh, not to mention a sous vide poached egg that just elevates your appetite by a mile.

## Tanzini

Salted egg cannoli- just the name itself pretty much sums up a savoury cum sweet dessert. Stuffed in a crunchy chocolate tube is a cream of salted egg that explodes in a peculiar, yet tantalizing savoury flavour. Fusing together with the chocolate that surrounds it, you get a mouthful of rich and decadent taste; one that will have you wanting more.

## Tanzini

Now, mushroom soups have a general perception that it should be creamy and what not, but Tanzini has decided to twist that approach with something a bit more- refined. An assortment of julienned mushrooms overtones the flavours of a bowl of clear soup, yielding a refreshing rather than a perceived rich structure. It's certainly moreish as ever.

## Tanzini

Lamb shanks are just irresistibly divine when its texture is done perfectly where the flesh slides off the bone with a gentle tug. Well, Tanzini's rendition of the dish has just been explained with the preceding sentence. Its partner in crime here is a moreish bean sauce that packs a whole lot of spices and herbs, accompanied with hot flavours and a gritty structure.
