

Exciting journey of self-discovery

IGBIS provides a dynamic, innovative and inclusive learning environment for all students.

IGB International School (IGBIS) is a vibrant Early Years to Grade 12 international school that provides a dynamic, innovative and inclusive learning environment where students are challenged to excel in both their learning and personal growth.

An International Baccalaureate (IB) World School, IGBIS is the only school in Malaysia authorised for the full continuum of IB programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme (DP) and the

Career-related Programme (CP).

The DP, as the original and oldest of the IB programmes, is highly regarded by universities worldwide and is one of the best preparations for university offered to students.

Students at IGBIS have consistently performed exceptionally well in the DP and continue to achieve scores well above the world average.

The CP is an alternative programme aimed at students who would prefer a more career-focused programme. As the newest

and fastest-growing IB programme, the CP is an innovative educational framework for students aged 16 to 19. It provides students with an excellent foundation to support their studies beyond Grade 12, as well as to ensure their preparedness for success in the workforce.

The CP combines the highly regarded and internationally recognised DP courses with an approved career-related study and a unique CP core.

IGBIS offers two career-related study options: a Certificate in Finance, Accountancy and Business

IGBIS students are challenged to excel in both their learning and personal growth.

through the Institute of Chartered Accountants of England and Wales; and Art and Design, through a partnership between IGBIS and Savannah College of Art and Design (SCAD).

IGBIS is the only school in Malaysia to partner with SCAD in this way, making this kind of IB education unique in this part of the world.

IGBIS also offers the IGBIS High School Diploma (HSD), which can be undertaken alone or in conjunction with the DP and CP.

As IGBIS is accredited by the

Council of International Schools, the New England Association of Schools and Colleges and the Malaysian Qualifying Authority, its HSD is recognised and accepted by universities worldwide.

Its highly qualified staff teach across the programmes (MYP/DP/CP/HSD) and ensure a smooth transition so that students can confidently progress through their final years in the secondary school.
