

PRESS RELEASE

13 September 2023

*For Immediate Release***Soil nailing works at
Lot 55, facing Jalan G1, Taman Melawati, Mukim Setapak, Daerah Gombak**

Angkasa Gagah Sdn Bhd (Angkasa Gagah) has started clearing the land on Lot 55, facing Jalan G1, Taman Melawati, Mukim Setapak, Daerah Gombak. This is to carry out soil nailing as an underground support for the sewerage piping works.

- Site clearing activities started on 7th August, 2023 to carry out sewer works.
- Soil nail will be installed at intervals to hold and support the sewer pipe.
- Soil nail works are 50% completed at the upper portion of the slope, soil nail to continue with bottom half of the slope.
- Scaffolding installed at the site for soil nail and to carry out sewer works.
- Sewer works includes laying ductile iron pipe and constructing access steps along the slope.
- Targeted to be completed by 30th November, 2023.

Angkasa Gagah has obtained the relevant approvals:

17 June 2014	Planning Approval for Master layout plan approved by Majlis Perbandaran Ampang Jaya.
23 November 2015	Earthworks approved by Majlis Perbandaran Ampang Jaya.
26 November 2015	Notice of site work commencement by the Engineer to Majlis Perbandaran Ampang Jaya.
30 March 2021	Sewerage line approval by Indah Water Konsortium.
